President's Message *from* MIKE LAUGHLIN

President's Recap

It was "HOT," 106 on day 1, it was "COOL," a great description of the outstanding golf courses, it was "MEMORABLE," how could you forget the quality golf and activities, and it was "REAL" Rotary Fellowship at its finest.

Tournament Chairman, Jim Brock and Pacific Director, Jim Pescatore provided us with a very well run tournament at Indian Wells. The activities for the spouses were well received and gave everyone a special connection to the Southern California Desert. The Hyatt and Indian Wells Resort provided a great venue and their service and Hospitality was world-class.

As the outgoing President of the USGFR it was very special for me to win my 4th Low Gross Championship over the last 10 years. Humility isn't my greatest virtue but hanging in there to defeat the youngsters from Greensboro was enough to make any old guy feel very good. Low Net Rotary Champion, Jim Sissons has a right to feel very good, reaching the top after working hard to improve his game following recent joint replacements.

Special recognition is due retiring Board Members Pat Clarke and Dr. Jim Getchonis for their years of service on the Board of Directors. We appreciate their efforts on behalf of the USGFR, not to mention their direction of our two recent tournament venues at Greensboro and Nashville. As Pat and Jim leave the board we want to welcome the following directors who have joined our ranks. Welcome to Jim Quinn in the Pacific Region, Dupont Kirven in the Central Region, Ned Lester to the East Region, and Richard Lytle to the Gulf Region.

LOL!

***I finally got
my head
together,
NOW my
body is
falling apart!***

Congratulations to Bill Durmer who has taken over the reins of the Presidency for the next three years. Bill brings a new enthusiasm and a proven dedication to make our organization grow and prosper. Good luck to Bill and Elaine as they move our organization on to bigger and better things.

Thanks to the entire Executive Board for all your support over the past three years.

Thank You - Mike Laughlin, Past President, United States Golfing Fellowship of Rotarians.

A Letter from Your Incoming USGFR President

BILL DURMER

Our 2013 USGFR Tournament was a terrific mix of warm Fellowship, 1st class golf courses, and outstanding accommodations. The tournament was held at the Hyatt Indian Wells Resort and Golf Club in Indian Wells, California.

We raise our cups to Mike Laughlin, the 2013 USGFR Gross Champion, and Jim Sissons, the 2013 USGFR Net Champion. Both Mike and Jim went down to the wire with strong games throughout the three days. Again, we have a strong turnout – 75 Rotarians and spouses.

Thank you to Jim Brock (Tournament Director) for conceiving and executing this year's tournament at Indian Wells. Jim's wife, Susan, took on a large portion of the work – thank you Susan, it was great! Jim and Susan could count on help from Jim Pescatore (the USGFR Director of the Pacific Region) and his wife, Rita. Great job all!

Kudos to two USGFR long term, hard workers on the Board on behalf of our organization.

Millie MacKenzie is our Executive Secretary and she will be transitioning that position to Jim Brock by our next tournament. Nate Naden is our Newsletter Editor and he will be moving that position to Denny Horack over the next 12 months. To Millie and Nate for their years of great contributions—thank you, thank you.

We also thank Mike Laughlin, our President, for his leadership and vision these past three years. Previously, Mike was the Director of the Pacific Region and then stepped up to our President in 2010.

Now, the important stuff. Go to your 2014 calendar and circle the dates of April 28th to May 1st for our 25th Anniversary Tournament at Gulf Shores, Alabama. We'll be at the Perdido Resort – we'll be RIGHT on "our" Beach (on the beautiful Gulf, on miles of white sand, and on the fun). We'll be here to welcome "all y'all."

In Fellowship,
Bill Durmer, President

Greetings from your Executive Secretary,

MILLIE MACKENZIE

Hello all USGFR members and friends!

Greetings USGFR members (and hopefully potential members also reading this).

USGFR membership numbers remain fairly steady: 297 members (167 lifetime members and 130 annual members) and the fellowship finances are level from last year.

Changes to the Executive Committee: Not only did Mike Laughlin pass the baton to our new USGFR president Bill Durmer, but he also is the 2013 Gross Champion. Way to go, Mike. Other changes: Pat Clarke finished two terms as East Region Director; Ned Lester replaces him. Dupont Kirven replaces Jim Getchonis as Central Region Director (our thoughts and prayers go to Jim who resigned due to health problems). Jim Quinn will be the Northwest Director, and Rich Lytle will represent the Gulf Region. Lawrence Severino agreed to remain New England Director until a replacement is found. Jim Brock will be the new Executive Secretary replacing

me. In the coming months, I will transfer records and responsibilities to Jim who will do a great job of helping organize USGFR and moving it forward.

Kudos to Jim Brock and Mike Laughlin for their organization of an absolutely outstanding tournament at Indian Wells. The courses were beautiful—so many flowers and trees it was hard to believe you were in the desert; the hotel was perfectly located and we were warmly welcomed—literally! Early tee times and frequent water/ice stations made it all work.

If you weren't in Indian Wells in May, you missed an outstanding tournament and the chance to share the fellowship of golf with Rotary friends. Plan NOW to attend the Silver Anniversary of USGFR in Gulf Shores. I look forward to seeing you there.

Millie MacKenzie,
Executive Secretary

PALM SPRINGS CALIFORNIA • MAY 11-15, 2013

HOW HOT WAS IT? When the temperature went down to 104, it felt like you needed a jacket. Fantastic Venue this year. Jim and Susan Brock did a magnificent job putting on the 2013 USGFR Venue in Palm Springs, California. Every aspect of this year's Venue was handled to Perfection. Jim and Susan along with President Mike and Lynn Laughlin, Pacific Director Jim and Rita Pescatore and the help from the Palms to Pines Rotary club and the Monterey Bay golfing. Fellowship of Rotarians made this Venue one of the best.

We should also thank Rob Strain and Lillian Roberts for taking photos during the week and Art Fleming for manning the Hospitality suite all week. I didn't hear one complaint during the week (weather not included). No question it was hot, but the quality of the Hyatt where we stayed and the conditions of both golf courses (Celebrity & the Player) were outstanding. I understand Susan Brock did a fabulous job in putting together the side trips, those who went on the trips enjoyed themselves all week.

Special Notes 2013 . . .

Several concerns we need to pass on to our membership.

- Jim Getchonis and Linda had to drop out this year due to Jim's health.

Jim and Linda's phone (423) 884-2180
or e-mail: jgetchonis@tds.net

- Leo and Bea Lauzon could not come due to Leo's treatment schedules.

Leo and Bea's phone (780) 532-8678
or e-mail: llauzon@teluspolanet.net

- Bob Pacharzina and Flo attended but had to leave early, Pac was not feeling well.

Bob and Flo's phone (970) 731-5956
or e-mail: flopac5@aol.com

I'm sure they all would like to hear from everyone. We all hope and pray for their recovery and their return to next year's venue.

This sad note. . . We wish to send condolences to the Willard family as we just learned that Allen "Oop" Willard has passed away.

Jim also lived up to his promise, no rain all week, Great Job Jim. Jim, Susan and their entire group were certainly dedicated in making this year venue a memorable one for sure.

Now, bring on 2014, ALABAMA, where we will have our own beach to wiggle our toes in. You have a year to begin talking southern. **YA'ALL COME, YA HEAR. CUS IT WILL BE FUN!**

2013 DESERT TIDBIT

Can't let this go by, Sam Boghosian one of our freshman attendees this year has an Interesting BIO of which I'll paraphrase. Sam, hope I did you justice. Sam, diagnosed with polio as a young boy, told he would never run again. Not only did he run again, he played football, basketball & baseball. He received a scholarship to UCLA and was an academic All American. Sam played in the 1954 Rose Bowl, coached as an assistant both at the college level and professionally with the Houston Oilers. His accomplishments and honors: Assist. Coach on 1 National College Championship and 2 Super Bowl Championships. In 1999 Sam was inducted into the UCLA Athletic Hall of Fame. Welcome Sam to the USGFR fold. Thanks to Denny Horack for this info.

Editors note. I'll bet we have other stories like this one in our USGFR membership. If you have one, let me know for next year's newsletter.

Your Editor Hard at Work!

2013 VENUE REPORT

HOW HOT WAS IT? The Cabbies had oscilating turbins!

These Rotarians, mentioned below, should check with Golfsmith or the PGA store, I hear they have great deals on putters that work. Our 4 putt club this year are the following: **Jim Pescatore, Tom Mckinney, Jacob Kleiman and Bob Plumb.** This applies to all those who would not admit to 4 putting also.

Well, wonders never cease at USGFR. Believe it or not, Greg Cummings made it through an entire venue. Without going to the hospital or getting sick. Hey Greg, let's try in Alabama for two in a row.

HOW HOT WAS IT? Workers at the golf course had a sign "We'll work for shade."

There's one in every crowd . . .

We had a bus take us to an evening tour, we were told to be at the bus by 6PM or you are left behind. WELL as we were pulling out from the rear we heard this yelling, wait, wait. Sure enough one person was late, carrying his lemonade with him, running to catch up. We did let him on didn't we? I won't mention any names Denny.

Where there is a will there's a way. . .

At our annual golf meeting, before playing, we are generally told the rules of local and PGA rules. This year one of the courses had ancient burial grounds staked by green and white stakes. We were not to go in there, drop the ball for a free drop no penalty. Well, American ingenuity took over. One of our favorite people said "Ok, I'll just carry a green and white stake in my golf bag and when I need it, I'll pull it out." Ok, 4-way test here, did you JANICE MCKINNEY put a green an white stake in your golf bag?????

We had 9 former national champions with us this year:

Frank Smith, Dupont Kervin, Jim Quinn, Mike Laughlin, Patrick Eakes, Jack Watson, John Reynolds, Pat Clarke, Greg Cummings . . . What a group!

PAT CLARKE, WHAT A CLASS GUY. HE IS RETIRING FROM THE BOARD OF DIRECTORS AFTER A LONG TIME ON THE BOARD FROM ALL THE BOARD MEMBERS, WE THANK YOU FOR YOUR DEDICATED SERVICE PAT, YOU WILL BE MISSED.

LOL!

Picture a room full of pregnant women and their Husbands; Ladies, remember exercise is good for you. Gentlemen, remember your both in this together. One man raises his hand, "Nurse," I was wondering if it would be alright if she carries a golf bag while we walk???

Where's Denny?

UGH . . .

LOL!

Today I thought about the hereafter, then I go somewhere to get something, and then wonder what I'm Hereafter!!!

FRESHMAN CLASS 2013:

This year's freshman class was smaller but very active in activities and work. Please welcome each and every one and hope to see you in Alabama!

Sam Boghosian
Dean and Jenny Glass
Paul and Ann Herring
Jim Kennedy
Brad Nickerson
Richard Sevigny
Rob Strain
Andrew Young

In spite of the extreme temperature each day, Dean and I had a great time at our first USGFR golf event. The event was well planned, provided lots to do (even for the non golfers), and was an opportunity to meet golfers from around the USA. In true Rotarian tradition, everyone was friendly, and the participants were quick to strike up a conversation with the new kids on the block. We have the 2014 dates marked on the calendar, and we hope nothing shows up to keep us from our second Rotary golf outing. – Dean and Jenny Glass

Even with the high heat I thought this venue was great. I am from New Mexico so heat doesn't bother me. Everyone from the hotel staff to the golf staff were very helpful and professional. But most of all, I was impressed with the fellowship from all who attended. I was a first timer but was made to feel right at home and comfortable. This fellowship is what makes USFGR so special. It doesn't matter what venue we go to as long as this attitude continues. I certainly will come again. Only concern is costs. It will keep most younger Rotarian golfers from coming. I agree with Pac when he voiced his concerns about the non-golfers costs vs. what they get. My wife voiced the same question. We will continue to come. Thanks to the Board for putting on a great event. – Paul and Ann Herring

PALM SPRINGS AT A GLANCE:

Saturday, May 11, 2013

Early bird registration for those Rotarians coming in early. Jim and Susan Brock, Mike and Lynn Laughlin manned the table most of the day. Greeting friends that you see only once a year is wonderful. Happy to see them once again in ROTARIAN and USGFR family style. These friendships last forever.

5:30PM - Directors dinner at Arnold Palmers Restaurant
Typical Rotarian fellowship continued the rest of the evening.

Sunday, May 12, 2013

8:00AM - Began practice round on the Celebrity course.

12:00PM to 5:00PM - Registration.

2:00PM to 5:00PM - Executive Board Meeting
Two new items added to our tournament. We have Instituted a 9-hole play division and a woman's gross stableford award for next year.

6:00PM - Flag Raising/Opening Ceremonies

6:30PM to 7:00PM - Golf meeting, run by Jim Pescatore, local ground rules were discussed. Tour meeting, run by Susan Brock and a quick summary of the weeks' tour schedule.

7:00PM to 9:00PM - Opening Reception
Our reception was held on the Verbena Terrace. Food consisted of Hors d'oeuvres and drinks of our choice. As always we enjoyed each others company, talked about past venues, what happened during the year etc. Just good ol Rotarian fellowship.

Monday, May 13, 2013

8:00AM - Tournament Day 1 - Celebrity Course
HOW HOT WAS IT? DRY HEAT? FELT LIKE DRY HEAVES! However, the golf course was in great shape, we were supplied all the water we wanted, so it was just fine. The day went well, the scores were fantastic (for some) and the fellowship was as always outstanding.

1:00PM to 5:00PM - Hospitality Room
Snacks, refreshments were abundant, scores were posted and fellowship was evident. Thanks to Art Fleming for his support.

8:00AM - First Tour / San Andreas Fault
Jeep tour to the San Andreas Fault. Four ladies took this trip and reported a great time. The jeep trip toured the desert north of Indian Wells. They learned a lot about fault line. The tour guide also discussed the local plants, including the "potato chip" cactus, which was tasted by all who agreed that the leaves did taste like potato chips.

Palm Springs Tour of the Movie Colony met at the Marilyn Monroe statue in Palm Springs. We took a group photo there and met our tour guide Gregg. The bus tour included many of the homes of movie stars such as Marilyn Monroe, Bing Crosby, Liberace, Frank Sinatra, Mary Martin, Dinah Shore and Kurt Douglas. Our tour guide was quite knowledgeable about the local architecture. We ended the tour at Trio restaurant in Palm Springs and had a lovely lunch with a menu that was made especially for our group.

The group was astounded by the beauty of the winery grounds and the cool breeze. After lunch our guide took us on a tour, starting in the vineyards to talk about the varieties of grapes and give us a history of the winery. Of course he had a sample of a light, white wine called Roussanne, which comes from a grape commonly grown in France. We then toured the various buildings tasting as we went along such wines as White Cabernet, which tastes remarkably like the red, but is made with using the grape skin. The tour ended with a taste of Almond Champagne, which is one of their best selling products. We had some time to shop in the gift store before boarding the bus for the trip home. We came back to the Coachella Valley via Highway 74 which goes over, the mountains, dropping down into the valley dramatically on a very windy road. Unfortunately we came upon an accident and had a 20 minute wait. Luckily, Doug enlightened us with his knowledge of the local plants and geography.

6:00PM - Entertainment at Living Desert

The bus took us to an outside wild life sanctuary where staff people came around holding several small animals. Such as a snake, an Owl, a Lizard like creature etc. Pictures were taken with the animals that is if you were brave enough to get close to one. The food served was excellent. The evening seemed to be enjoyed by all who attended.

Tuesday, May 14, 2013

8:00AM - Tournament Day 2 Players Course
HOW HOT WAS IT? 104 FELT LIKE A COOL SPELL!!! What a fabulous golf course, I know for a fact everyone enjoyed this beautiful course. Of course water was in abundance, they sure took good care of the golfers. Nice selection Jim.

1:00PM to 5:00PM - Hospitality Room

Again scores for the two days were posted. The attendance was very good, as were the snacks and refreshments. Thanks again Art.

9:00AM - Second Tour / Temecula Wine Tour

We took a bus trip to Temecula. We were accompanied by Doug Walker who is in our local rotary club and a retired professor of Entomology. He is also well versed in plant life and the local mountains. First stop was in Old Town Temecula, which was the original site of the town. Shopping included antique stores, boutiques and galleries. We then went by bus to Wilson Creek Winery where we were greeted by our tour guide and escorted to a lovely, raised patio for a buffet lunch.

The second tour was a Jeep tour to the Palm Springs Canyon. Our group was joined by some German tourists, one of which was doing some freelance writing for a travel guide. This tour visited the scenic Palm Springs Canyon, with its palm tree oasis and took an hour long hike.

The rest of the day was open to enjoy whatever turned you on. I do know the scenic drives were awesome and the dining in the desert was second to none.

Wednesday, May 15, 2013

8:00AM - Tournament Day 3, Players Course
HOW HOT WAS IT? IT WASN'T, ABSOLUTELY BEAUTIFUL DESERT WEATHER!!!

Last day of golf for this year's tournament was spectacular. The scores were better than the first two days, and the weather, wow, how much better could it be. What a send off to be sure.

1:00PM to 4:00PM - Hospitality Room

Final scores were tabulated in the room for all to see. Players came in, looked at the scores, then started to wind down from the last three days. Thanks again to Art for his manning the room.

9:00AM - Third Tour / Sunnyland Annenberg Retreat

We took a group to The Annenberg Retreat at Sunnylands, which is the renowned estate of the late media mogul and Ambassadors Walter and Leonore Annenberg. The estate was established in the 1960s and is a stunning example of mid-century architecture. We toured the home which is filled with the Annenberg's collections of fine art, Steuben glass, Chinese antiquities and lovely views of the surrounding gardens and golf course.

The memorabilia reflects the dignitaries who were regular visitors including seven U.S. presidents, British royalty, movie stars and world leaders. We also toured the grounds and learned the many ways in which the estate strives to showcase the desert habitat, designing in such a way that takes the beauty of the indoor art work to the outside. Our group then traveled to El Paseo, a prestigious shopping street in Palm Desert for lunch at Café Des Beaux Arts and shopping.

3:00PM to 4:00PM - Executive Committee Meeting

This year's meeting went quick, no apparent real problems during the week, thanks to Jim and Susan Brock. Mr. Bill Durmer took over the helm as president and quickly adjourned till next year. At-a-boy Bill, keep it simple and short.

6:00PM - Awards Banquet

Refreshments were served, Mr. Dean Glass gave the invocation and dinner was served. The food by the way was top notch. During the evening we were shown slides of the week, some you will see later in this newsletter. Speakers were Mike Laughlin, Jim and Susan Brock and Bill Durmer. Bill gave us highlights of next year's venue. We will have our own beach to play on along with accommodations that will be fantastic. The golf courses look very challenging. Elaine Durmer spoke about the tours planned and they sound interesting. Bill and Elaine say the costs next year should not be any higher than the past venues, maybe lower. We ended the evening with the awards given out by our host Jim Brock and Jim Pescatore. Results you will see on a following page. Sorry to see this week coming to an end. Having to say good bye for another year was not easy. You sure develop good relationships over the years with good quality Rotarians. **ROTARY FUN, FRIENDSHIPS AND FELLOWSHIP, THRU USGFR, THAT'S WHAT ITS ALL ABOUT!**
